

LOW COST DEPARTURE & FALL PREVENTION

Pull-String Monitors

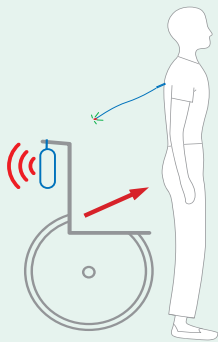

Pull-String Monitor with Magnet Switch

- ✓ Nurse call input on TL-2200PS & TL-3000
- ✓ TL-2000 & TL-3000 come with 10-year warranties

Pull-String Monitor with No Magnet

- ✓ No magnets. Won't interfere with magnet-sensitive equipment

HOW IT WORKS

Pull-String Monitors reduce falls by alerting staff when resident attempts to depart from their chair.
