

# No More Writing or Checking Dates on Pads

## Features:

- ✓ **Check Pad** light alerts caregivers if a sensor pad's signal is lost
- ✓ **Status Light** flashes every 4 seconds when in use
- ✓ **Chime Alert** and adjustable, full range volume control
- ✓ **Nurse Call** port
- ✓ **Low Battery** light
- ✓ No "On/Off" switch

## Also works with:

Chair Sensor Pads

Floor Mats

Chair Belts

## Avoid F-Tags

The monitor automatically notifies caregivers when to replace expired sensor pads. The system only tracks time in use.

## One Button

Simple operation.

## TamperProof™

In optional Caregiver Key Mode, the monitor can only be reset by the caregiver placing the Caregiver Key over the red dot – eliminating resident tampering.
