

Stand-Alone Motion Sensor Alarm

How it works...

Reduce falls and wandering by using motion sensor to alert staff of resident's activities. When infrared field is interrupted, alarm sounds, alerting caregiver.

Motion Sensor Features:

- Easy to install and use.
- Low cost.
- Swivel bracket allows sensor to be mounted almost anywhere.
- Optional Extendable Mounting Bracket.

Mfr. #	Product Description
TL-2700	Motion Sensor
